**Bio:**  
Remedy formed in 2022 by Roland "Rolli" Forsman.

Rolli has toured the world with Swedish artists such as Darin, Chris Kläfford, Måns Zelmerlöw, September, Petra Marklund and was also hand picked by Brian May and Roger Taylor (Queen) for "We will rock you" and has also been the guitarist in "Rock Of Ages" together with Kee Marcello (Europe)

After some years in the pop scene Rolli is now back where his heart belongs with Remedy and melodic rock. His songwriting and productions are somewhat a mix between pop, classic rock and modern metal.

**Rolli:**  
The trigger for forming the band was covid-19 when we lost all our session jobs as touring musicians. I contacted my friend Sören Kronqvist, who's an excellent songwriter and we wrote a few songs for bands such as "Joe Lynn Turner", "One Desire" and "Crazy Lixx" and so forth... But we ended up with a bunch of really good ones that we kept for ourselves and recorded with my neighbor, and long time

friend, Robert Van der. Robert is a brilliant singer with great range and a superb frontman. I play all the guitars, Georg Härnsten Egg (Dynazty, Paralydium) recorded drums and Andreas Passmark (W.E.T, Royal Hunt, Narnia) recorded bass. We also called our friend Lars Säfsund (Work of Art) to get an extra boost when recording vocals. Lars was both an excellent vocal coach for Rob and backup singer on the album. Jonas Öjvall (Tiamat, Jimi Jamison) recorded keyboards and Niclas Eriksson added percussion. After that, me and Sören produced the songs and added some extra backing vocals and additional keys.

After that I called my friend Erik Mårtensson at Mass Destruction Production (Eclipse, W.E.T, Jimi Jamison, Nordic Union...), for mixing and mastering. Erik is one of the best in the business and he added that extra boost we needed.

Well that's about it. Our debut album "something that your eyes won't see" will hit the streets December 16th. We've released three songs so far, "I wanna have it all", "Scream in Silence" and

“Marilyn” ... and also a video for “I wanna have it all”.
