

SWEET MONSTERS

Band: Sweet Monsters
Album Title: Back In Time
Label: Independent
Official Release Date:
November 4th 2022
Genre: Alternative Rock

Description:

Back In Time is Sweet monsters' second EP, a concept record born from their desire to revisit and rework songs they wrote years ago at the band's inception, bringing to the table all their upgraded skills and new personal sounds. It's an EP that's simultaneously retrospective and nostalgic, but finds time to be anxious and optimistic about the future.

Influences for the album:

The bands' influences go through classic metal riffs from the likes of Iron maiden to more modern emotional singing like Three days grace, while trying to incorporate sounds of punk rockers Rise against and technical influences from math-rock band Covet.

Track Suggestions:

Are You Ready
It Never Ends

Bio:

Sweet Monsters is the monster we all have within us, that frees itself through the rock universe of this French Power trio. It's the sweetness of their faces and the monstrosity coming out from a powerful voice, incisive guitar riffs, melodic bassline, and the feeling of calmly being hit by the drummer like bullets. Having first started in 2013, Sweet Monsters have shared their monstrous energy all over France. After their first EP called W.A.Y, Sweet monsters brings you their second six-track EP today, "Back in time".

Band Line-Up:

Vocals and Guitar - Maïlys BARRAUD
Vocals and Bass - Adam COLLINS
Drums - Valentin QUEMENEUR

CD Track Listing:
